

Dear Prospective Sponsor,

Boost Oregon is an independent, nonprofit organization that empowers people to make science-based vaccine decisions for themselves, their families, and the community. We envision a world in which people's health decisions are rooted in science.

The COVID-19 pandemic illuminated how harmful a novel virus can be on communities without immunity. Once a vaccine was developed, Boost Oregon worked tirelessly to spotlight the research and scientific evidence available. We turned complicated concepts into accessible, everyday language. We listened to communities' concerns and trained medical providers how to respond effectively. Our grassroots educational approach--training trusted messengers to promote vaccines within their own communities--was a bright light during the darkness of the pandemic.

We are hosting "Illuminate the Night" on Saturday, November 4, 2023, at the Ecotrust Building in Portland. The event will shine light on our critical work, volunteers, and sponsors with live music, food, and drink. Our guests represent business, legal, and technological leaders, medical providers, public health advocates, parents, grandparents and other concerned citizens from across the state who want to ensure a healthy future for all Oregonians.

Corporate sponsorship is critical to the success of our event. We offer three levels of sponsorship; the costs and benefits of each are set forth in the enclosed pages, along with a commitment form. We are very grateful for whatever amount you can contribute.

Boost Oregon is the only parent-led, independent organization focused on vaccine education in the United States. We are funded by individual and corporate donors and community foundations; we do not accept donations from pharmaceutical companies. We are a 501(c)(3) charitable organization, and your donation is tax-deductible.

If you require additional information, please contact me or visit our website. We would appreciate your response by **May 31, 2023**, so that we can ensure that your company is included in our advertising and promotion. Thank you so much for your consideration.

Best wishes,

Nadine A. Gartner
